

## 2016–2017 SELF GRADUATE FELLOWSHIP PROFILE

The Madison and Lila Self Graduate Fellowship offers a special opportunity for students seeking a Ph.D. at the University of Kansas. We seek students with the attributes we believe will put them on track to make a difference in the world and in their professions.

Self Graduate Fellows for 2016–2017 will receive \$30,000 each year for four years. Payment is through appointment as a graduate research assistant, or occasionally as a graduate teaching assistant. The fellowship covers tuition, fees, and the employer’s share of student health insurance costs. All fellows also participate in the Fellow Development Program. The total value of the four-year doctoral fellowship exceeds \$165,000.

The Fellow Development Program is a distinctive feature of the Self Graduate Fellowship. It provides education and training in communication, management, and leadership to assist Self Graduate Fellows in their preparation for future leadership roles; complementing the specialized education and training provided in Ph.D. programs.

This year 30 Self Graduate Fellows are pursuing Ph.D.s in four schools and 14 departments at the University of Kansas. The current Fellows are among 170 students who have benefited from the fellowship since it was established in 1989.
