

MADISON & LILA SELF GRADUATE FELLOWSHIP

Prospective Fellow Information | Spring 2023

About the Self Graduate Fellowship

The Madison and Lila Self Graduate Fellowship (SGF) offers a unique opportunity for students seeking a Ph.D. at the University of Kansas. SGF selects students with the attributes that will put them on track to make a difference in the world and in their professions. Self Graduate Fellows demonstrate initiative, passion for achievement and devotion to lifelong learning. Specifically, SGF is looking for high potential individuals who have a clear vision, career goals, leadership potential, motivation and a strong work ethic.

Outstanding Ph.D. applicants and first-year Ph.D. students in eligible disciplines may be nominated by their departments for a Self Graduate Fellowship. Nominees must be U.S. citizens and must have received their first bachelor's degree within the last eight years (January 2015 – 2023).

Nomination Process

KU academic departments identify and nominate applicants for doctoral study and first-year doctoral students who are potential Self Graduate Fellows. Students who are a strong fit to the program are welcome and encouraged to ask their department for a nomination. The nomination file that is submitted by the department will include a letter of nomination from the department, your graduate school application, academic letters of recommendation, transcripts of all college or university work, your application statement to the department, your resume, and other supporting materials from your file. The department will request additional documents specifically for the Self Graduate Fellowship including SGF specific resume, letter of recommendation, and SGF personal statement. The Self Graduate Fellowship relies on these documents to assess how you match the attributes of a Self Graduate Fellow.

Instructions

As a nominee, you will need to submit to your nominating department the below items:

1. Self Graduate Fellowship Personal Statement
2. Access/Waiver form
3. Current Resume
4. One Letter of Recommendation specific to SGF (Required)

Note: The letter of nomination and graduate school application are included by your nominating department to complete your nomination file.

1. Self Graduate Fellowship Personal Statement

Your personal statement is critical to your success in the Self Graduate Fellowship selection process. This is your opportunity to demonstrate how you fit the profile of a Self Graduate Fellow. Your statement should be authentic and should tell your story in your own words. Remember that through this document you will try to convince the evaluation committee that you deserve an interview. Edit the statement carefully and don't be afraid to rewrite it. Before you begin, be sure to review the SGF website (selfgraduate.ku.edu). Your statement should be two to three pages long and in 12-point type. Your personal statement must address the following points:

- The academic and professional choices you have made to date and why
- Career goals, both short-term and long-term, and specification of career field (industry, government, medical, higher education)
- How you envision yourself in a leadership role- expanding human knowledge and/or benefiting society as a whole
- How you match the Self Graduate Fellow profile (see below)

Self Graduate Fellow Profile

“The ideal candidate possesses unusual motivation, passion, and potential to make significant contributions to their profession and to society. In addition to a strong academic record, the candidate has leadership, communication, and decision-making skills. Should display personal attributes including self-awareness, emotional maturity, initiative, tenacity, energy, vision, risk-taking, and interpersonal effectiveness. The ideal candidate is interested in personal development and lifelong learning and is committed to participation in the Fellow Development Program.”

2. Access/Waiver Form

A completed access/waiver form is required. A form submitted to your department from your email address will be accepted in lieu of a signed hard copy. The access/waiver form is the last page of this document.

3. Current Resume

All nominees must submit an updated resume. This should be distinguished from a traditional academic vita, as this document should highlight a variety of leadership experiences and significant achievements from work, school, volunteer projects, and extracurricular activities. Include awards, honors, memberships, positions held and research experience.

4. SGF Letter of Recommendation

All nominees are required to include one SGF specific letter of recommendation in their nomination. This provides additional materials for reviewers to refer when determining student fit to profile. It also provides students with the option to include letter writers who may not traditionally be included in graduate admissions but can offer information on SGF attributes and program fit.

Deadline

Your SGF personal statement and access/waiver form must be submitted to your nominating department prior to the nomination deadline. **The deadline for departments to nominate students is January 25, 2023, at noon CST.** Please contact your department for additional details as they may require students to submit additional materials before the SGF deadline.

The Selection Process

The Self Graduate Fellowship Board of Trustees and a faculty evaluation committee work to fulfill the mission and goals of the fellowship when selecting students to interview for the fellowship. Their responsibility is to select individuals whose academic preparation, vision, and commitment to career goals match the Self Graduate Fellow profile.

Self Graduate Fellowship Interview

Candidates selected for interviews will be notified via email by mid-February 2023.

Interviewees will be invited to interview for the Self Graduate Fellowship during the week of February 20-24, 2023. Please block this time as no alternate dates will be scheduled. If invited to an on-campus interview for the SGF, travel to Lawrence and two nights of lodging expenses will be paid. You will be hosted by your prospective academic department.

Those invited to interview will be asked to provide proof of U.S. citizenship prior to the interview. Acceptable documents are a copy of a birth certificate, a passport, or proof of naturalization.

The Self Graduate Fellowship interview will last approximately one hour in-person. During this time, students will have the opportunity to describe their accomplishments and their goals to the interview team.

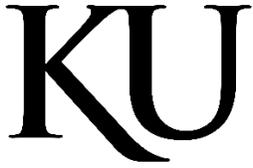

Self Graduate Fellowship Offers

After the interviews are completed, the SGF Board of Trustees makes final selections. Offers are extended in cooperation with academic departments by mid-March 2023.

The deadline for student acceptance of offers is April 15, 2023. Students are encouraged to communicate their decisions as soon as possible as their decision may impact other candidates.

If you have questions, please contact the Self Graduate Fellowship office, 785-864-7249, or email sgf@ku.edu.
